The Annual Register (originally subtitled "A View of the History, Politicks and Literature of the Year ...") is a long-established reference work, written and published each year, which records and analyses the year's major events, developments and trends throughout the world. It was first written in 1758 under the editorship of Edmund Burke, and has been produced continuously since that date.

Introduction. This manual is the basic textbook for anyone writing an ASTM standard. A study of Parts A, B, C, or E will show the proper form for the principal types of standards including a detailed explanation of how to write each section, from the title to the appendixes. Within Parts A, B, C, and E, the first section lists the preferred sequence of headings and indicates whether these ...
