Fornication is generally consensual sexual intercourse between two people not married to each other. When one of the partners to consensual sexual intercourse is a married person, it may be described as adultery.. For many people, the term carries an overtone of moral or religious disapproval, but the significance of sexual acts to which the term is applied varies between religions, societies ...

The banana thing is interesting, but for me the fruit fly thing even more so. I don't know if you remember the 2008 presidential election, but Sarah Palin got caught making a big deal over the federal government funding fruit fly research (her point was that big government had gotten too big and was bordering on the absurd).
