

a dictionary of the pdf

A dictionary in PDF format would lose its utility as you have to scroll the entire file to find a single word. Instead I would recommend Wordweb dictionary. It is a compact dictionary which is light in memory and available for both PC as well as android devices.

Is there a downloadable PDF of any English dictionary (full)?

Exactly what it says in the title, this is indeed a phonetic dictionary. The English language is notoriously weird, so if you're looking for help on how to say those words that don't quite appear what they seem (knight, psychology, etc), then this may be the book you have been looking for.
