Throughout history, political entities have expanded from basic systems of self-governance and monarchy to the complex democratic and totalitarian systems that exist today. In parallel, political systems have expanded from vaguely defined frontier-type boundaries, to the national definite boundaries existing today.

History of Political Thought (HPT) is a quarterly journal which was launched in 1980 to fill a genuine academic need for a forum for work in this multidisciplinary area. Although a subject central to the study of politics and history, researchers in this field had previously to compete for publication space in journals whose intellectual centres of gravity were located in other disciplines.

Background Note: Political parties are not mentioned in the Constitution, which was written in 1787. George Washington did not need a party to help him define issues of importance to the new republic. The United States developed a two-party system (for better or worse) beginning roughly in 1792 and continuing until the present.
