The Lord had given them power: the power to turn Aaron's rod into a water snake. Surely this would impress the Pharaoh, and prevent him from killing them outright. However, all did not go according to plan. Yes, Aaron threw down his rod and it became a water snake, but Pharaoh was unimpressed and had his magicians do the same thing with their rods.

The Staff of Moses is a staff mentioned in the Bible and Quran as a walking stick used by Moses. According to the Book of Exodus in the Bible, the staff of was used to produce water from a rock, was transformed into a snake and back, and was used at the parting of the Red Sea. Whether or not Moses' staff was the same as that used by his brother Aaron has been debated by rabbinical scholars.
