This reference is, of course, for the english version. Please look at the German translation of this page to find the German reference. Please always include the URL – it's the only unique identifier to the text (for now)! Note the lack of edition name, which changes with every new edition, and Google Scholar and Citeseer both have trouble with fast-changing editions.

Several linguistic issues have arisen in relation to the spelling of the words euro and cent in the many languages of the member states of the European Union, as well as in relation to grammar and the formation of plurals.. In official documents, the name "euro" must be used for the nominative singular in all languages, though different alphabets are taken into account and plural forms and ...

## Language and the euro - Wikipedia

A war poet is a poet who participates in a war and writes about his experiences, or a non-combatant who write poems about war. While the term is applied especially to those who served during World War I, the term can be applied to a poet of any nationality writing about any war, including Homer's Iliad, from around the 8th century BC, and the Old English poem The Battle of Maldon, that ...
