Mutualism is an economic theory and anarchist school of thought that advocates a society with free markets and occupation and use, or usufruct property norms. One implementation of this scheme involves the establishment of a mutual-credit bank that would lend to producers at a minimal interest rate, just high enough to cover administration. Mutualism is based on a version of the labor theory ...

The Theory of Exchange Rate Determination

The libertarian idea of society without a state appeals to many people, but, however enticing the idea, it is often dismissed as utopian. How could an anarchist society defend itself against large, centralized states? Defense, it has been alleged, cannot be adequately supplied by the free market. It ...
