A parable is a succinct, didactic story, in prose or verse that illustrates one or more instructive lessons or principles. It differs from a fable in that fables employ animals, plants, inanimate objects, or forces of nature as characters, whereas parables have human characters. A parable is a type of analogy.. Some scholars of the canonical gospels and the New Testament apply the term ...

The Parables of Jesus are found in the Synoptic Gospels and some of the non-canonical gospels. They form approximately one third of his recorded teachings. Christians place high emphasis on these parables; since they are the purported words of Jesus, they are believed to be what the Father has taught, indicated by John 8:28 and 14:10.. Jesus's parables are seemingly simple and memorable stories ...
