

### **product liability law in pdf**

Product liability is the area of law in which manufacturers, distributors, suppliers, retailers, and others who make products available to the public are held responsible for the injuries those products cause. Although the word "product" has broad connotations, product liability as an area of law is traditionally limited to products in the form of tangible personal property.

### **Product liability - Wikipedia**

Introduction. If your business supplies products to consumers, you need to make sure the products are safe. The heaviest responsibility falls on producers, eg the manufacturer of a product.
